

What can my pledge be spent on?

All gifts will be held in a separate bank account and, as a restricted fund, can only be used for this project as laid out in the vision documents.

When do I give the money I pledge?

You can give it straight away if you choose to. We have already begun to receive regular donations.

Unless permission is given, we will not ask for, nor spend this money until important milestones.

A further £565,000* through gifts, grants and loans is needed to enable the project to be completed in full.

Once £120,000 is pledged/raised we can proceed with the technical designs as, when added to existing funds, this is sufficient to complete the front section. If needed, the project can be completed in 2 phases.

Once £221,000 is pledged or given, 50% of the total costs projected by the Quantity Surveyor will have been reached. This will open up access to numerous external grant making bodies, for example the Rank Foundation. Some of these require full tenders first.

If we do not reach the first milestone within 12 months, the project may stall. If it cannot continue at all, any money given this way will be returned.

Why Pledge?

Knowing what people intend to give means we can take decisions about completing the project with confidence as milestones are reached.

If loans are required, longer term pledges give evidence of income available to repay them.

Pledges express your support and involvement in this community project.

How do I pay?

By cash or card in the church office; by cheque sent to the office; by online bank transfer; through give.net (crowdfunding site); or by standing order.

Can my pledge be Gift Aided?

If you pay tax and sign a Gift Aid Declaration, your gifts are worth 25% more to the project.

Can I give a loan?

If you wish to discuss offering an interest-free loan then please contact the office or treasurer.

Aid claimed on all my donations. Please treat all
donations I make to St George's Church Fatfield PCC
as gift aid donations until further notice.

Cheques payable to:
St George's Church Fatfield PCC - Annexe Fund STGF
Please send this form to the church office

Dear Friends and Family of St George's

We hope to raise £565,000* to fund a Community Annexe

This vision creates exciting opportunities to benefit the local community and grow the activities that already take place here. The pledges and gifts we receive through this leaflet can be used to show potential external funders the commitment to this project by local people.

Whether giving already or intending to do so, please complete this form. If you have any questions, please ask us. You can also find many answers on our website and the display in St George's church

Where do I find out more?

Take a look at the display in the church or visit www.stgeorghistoryandfuture.co.uk/future online.

What is a pledge?

A pledge is a commitment to give money in the future, either on a one-off or regular basis.

Are pledges confidential?

Yes, only the treasurer, vicar and the person writing letters of acknowledgement will know the identity of people making pledges.

What if my financial circumstances change?

Any pledge can be increased or decreased at any time if your circumstances change.

Can I leave a gift in my will?

Yes, a legacy can be left in your will, however we cannot rely on these for near term funding. If you already have a will, you can add a 'codicil' to update it. If you would like a codicil form please ask.

How do you hope to raise the money?

We have already received two legacies of over £10,000 to fund the initial work and hope others will be equally generous. We are grateful for every gift, small or large. Whether a monthly gift or £25,000 in one go, every gift and pledge will make a difference. Once we get over half way to the total cost, many more external funders will be able to support us.

* Based on the Quantity Surveyor costings, £565,000 is the expected need comprising £511,000 plus a £54,000 contingency, plus all fees and installations less money already available.
