OUR COMMITMENT

St George's Church PCC (as trustees) recognise the need to provide a safe and caring environment for all children, young people and vulnerable adults.

In accordance with the Church of England Safeguarding Policy our church is committed to:

- Promoting a safer environment and culture.
- Safely recruiting and supporting all those with any responsibility related to children, young people and vulnerable adults within the church.
- Responding promptly to every safeguarding concern or allegation.
- Caring pastorally for victims/survivors of abuse and other affected persons.
- Responding to those that may pose a present risk to others.

As a PCC, we have therefore adopted the procedures set out in this safeguarding policy work for the benefit and protection of children and vulnerable adults, those working with them and this Church Council in accordance with statutory guidance.

We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the Church of England Safeguarding guidelines and the safeguarding policy and guidance of Durham Diocese.

The PCC undertakes to:

- Endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- Provide on-going safeguarding training for all its worker/volunteers and will annually review the operational guidelines attached.
- Ensure as far as possible that the premises hired meet the requirements of the Disability Discrimination Act 1995 and all other relevant legislation, and that it is welcoming and inclusive.
- Support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and young people.
- Create a safe and caring place for all.
- Have a named Parish Safeguarding Officer (PSO) to work with the incumbent and the PCC to implement policy and procedures.
- Safely recruit, train and support all those with any responsibility for

children, young people and adults to have the confidence and skills to recognise and respond to abuse.

- Ensure that there is appropriate insurance cover for all activities involving children and adults undertaken in the name of the parish.
- Display in church premises and on the Parish website the details of who to contact if there are safeguarding concerns or support needs.
- Listen to and take seriously all those who disclose abuse.
- Take steps to protect children and adults when a safeguarding concern of any kind arises, following House of Bishops guidance, including notifying the Diocesan Safeguarding Adviser (DSA) and statutory agencies immediately.
- Offer support to victims/survivors of abuse regardless of the type of abuse, when or where it occurred.
- Care for and monitor any member of the church community who may pose a risk to children and adults whilst maintaining appropriate confidentiality and the safety of all parties.
- Ensure that health and safety policy, procedures and risk assessments are in place and that these are reviewed regularly.
- Review the implementation of the Safeguarding Policy, Procedures and Practices at least annually.

SECTION 2

RESPONDING TO ALLEGATIONS OF ABUSE

Under no circumstances should a worker/volunteer carry out their own investigation into an allegation or suspicion of abuse. The following procedures should be carried out:

- The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to Kate Grimwood (hereafter the "**Safeguarding Co-ordinator**") who is nominated by the PCC to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.
- In the absence of the Safeguarding Co-ordinator or, if the suspicions in any way involve the Safeguarding Co-ordinator, then the report should be made to Doug Green (hereafter the "**Deputy**"). If the suspicions implicate both the Safeguarding Co-ordinator and the Deputy, then the report should be made in the first instance to the Diocesan Safeguarding officer Beth Miller:
 - Mobile: 07968034075
 - Email: beth@bethmillerisw.co.uk
- the local Children's Social Services office telephone number (office hours) is tel. 0191 566 1500. The out of hours emergency number is tel. 0191 528 9110.
- Sunderland Children's Safeguarding Board telephone number (office hours) is tel. 0191 520 5560. The out of hours emergency number is tel. 0191 520 5552

- The Police Child Protection Team telephone number is tel. 101 ext 66264, 66265 or 66266
- Where required the Safeguarding Co-ordinator should then immediately inform the insurance company and the Vicar/ Church Wardens.
- Suspicions must not be discussed with anyone other than those nominated above. A written record of concern must be completed, kept secure and confidential, and passed to the Safeguarding Co-ordinator.
- Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Co-ordinator, the absence of the Safeguarding Co-ordinator or Deputy should not delay referral to Social Services, the Police or taking advice from Diocese.
- The PCC will support the Safeguarding Co-ordinator/Deputy in their role, and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.
- It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from the diocese or other agency such as CCPAS, although The PCC hope that members of the Church will use this procedure. If, however, the individual with the concern feels that the Safeguarding Co-ordinator/Deputy has not responded appropriately, or where they have a disagreement with the Safeguarding Co-ordinator(s) as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the PCC demonstrates its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the Safeguarding Co-ordinator/ Deputy is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies who have a legal duty to investigate.

SECTION 3

PREVENTION

Safe recruitment

The PCC will ensure all workers/volunteers will be appointed, trained, supported and supervised in accordance with government guidance on safe recruitment. This includes ensuring that:

- There is a written job description / person specification for the post
- Those applying have completed an application form
- Those short listed have been interviewed
- Safeguarding has been discussed at interview
- Written references have been obtained, and followed up where appropriate

- A criminal records disclosure has been completed (we will comply with Code of Practice requirements concerning the fair treatment of applicants and the handling of information)
- Qualifications where relevant have been verified
- Training is provided for the successful applicant if necessary
- The applicant completes a probationary period
- The applicant has been given a copy of the organisation's safeguarding policy, and acknowledged receipt of, and knows how to report concerns.

Management of Worker/Volunteers – Codes of Conduct

As a PCC we are committed to supporting all workers/volunteers and ensuring they receive support and supervision. All worker/volunteers have been issued with a Good Practice Guide and this Safeguarding Policy. The PCC undertakes to follow the principles found within the 'Abuse Of Trust' guidance issued by the Home Office and it is therefore unacceptable for those in a position of trust to engage in any behaviour which might allow a sexual relationship to develop for as long as the relationship of trust continues.

SECTION 4

PASTORAL CARE

Supporting those Affected by Abuse

The PCC is committed to offering pastoral care, working with statutory agencies as appropriate, and support to all those who have been affected by abuse who have contact with or are part of the place of worship/organisation.

Working with Offenders

When someone attending the Church is known to have abused someone, the PCC will ensure proper supervision is available for the individual concerned and offer pastoral care, but in its safeguarding commitment to the protection of children and vulnerable adults, set boundaries for that person which they will be expected to keep.

SECTION 5

PRACTICE GUIDELINES

As a Church working with children and young people and vulnerable adults we wish to operate and promote good working practice. This will enable

worker/volunteers to run activities safely, develop good relationships and minimise the risk of false accusation.

As well as this Safeguarding Policy we also have specific guidelines for every activity we are involved in including Risk Assessments, First Aid, Adult to Child Ratios, Keeping Records, Accidents, Working with Disruptive children and Young People, Anti-Bullying Policy and Practice, Outings and Tobacco and Alcohol. Full diocesan Safe & Secure document is available online or in the church office.

Working in Partnership

The diversity of organisations and settings means there can be great variation in practice when it comes to safeguarding children and young people and vulnerable adults. This can be because of cultural tradition, belief and religious practice or understanding, for example, of what constitutes abuse.

We therefore have clear guidelines in regards to our expectations of those with whom we work in partnership, whether in the UK or not. We will discuss with all partners our safeguarding expectations.

Good communication is essential in promoting safeguarding, both to those we wish to protect, to everyone involved in working with children, young people and vulnerable adults and to all those with whom we work in partnership. This safeguarding policy is just one means of promoting safeguarding.

APPENDIX 1

- Ensure that health and safety policy, procedures and risk assessments are in place and that these are reviewed regularly.

We recognise:

- Children's Social Services (or equivalent) has lead responsibility for investigating all allegations or suspicions of abuse where there are concerns about a child.
